Reasons for Allowance

The following is an examiner's statement of reasons for allowance:

The prior arts of record do not show the sensor comprising an array of pixels in which a first column of pixels includes a proximal set of first pixels and a distal set of first pixels separated by a first jog region, a second column of pixels includes a proximal set of second pixels and a distal set of second pixels separated by a second jog region, the first jog region is displaced in a column direction and in a lateral direction, and a first metal bus is insulatively disposed over both the first and the second jog regions.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
